Custom orders

We can design and make art glass objects according to your wishes. Whether it's a gift for an anniversary , wedding , graduation, interior design for your home or office, a lampshade, a window, a sculpture, or a piece of jewelry to go with your favorite outfit –

You name it, we make it possible.

Repair and conservation

Damaged stained glass window, - lampshade, crystal crown, and jewelry, slightly chipped edge of a bowl with sentimental value maybe all brought to good condition and use again.

Ask for estimate and different possibilities.
